Gary franchi here with some breaking

0:02

news more breaking news tonight I made a

0:04

growing and unmitigated border crisis

0:07

Governor Greg Abbott has taken

0:10

unprecedented measures and declared an

0:13

invasion news breaks fast make sure you

0:15

catch it when it does hit subscribe

0:17

enable notifications and never miss a

0:19

report

0:21

as hordes of illegal aliens continue to

0:23

cross the U.S Southern border Texas has

0:26

had enough Governor Greg Abbott has

0:28

announced that the state is invoking The

0:30

Invasion Clause of the Texas

0:32

Constitution to Halt The Assault on our

0:35

borders the governor of Texas Greg

0:37

Abbott invoked The Invasion Clauses on

0:40

Tuesday November 15th in an effort to

0:42

address the unchecked immigration crisis

0:45

at the southern border Alejandro

0:47

mayorcas Secretary of Homeland Security

0:49

continues to deny that there is any

0:52

problem despite the growing problem and

0:55

clear dissatisfaction

0:57

Abbott has been fighting to secure the

0:58

Border since Biden failed to uphold his

1:00

oath and protect our borders watch

1:07

so we're here once again on the Texas

1:10

border dealing with the ongoing failure

1:13

of the body Administration to do its

1:15

fundamental job and that is to secure

1:17

our border we can never forget that it

1:20

was just a year and a half ago that we

1:21

had some of the lowest border crossings

1:23

in the past few decades and that's

1:26

because we had a president who was very

1:27

aggressively enforcing the remaining

1:29

Mexico policy in the title 42 policy and

1:32

enforcing the immigration laws passed by

1:34

the United States Congress now however

1:37

we have a president who is using Lex

1:39

enforcement of title 42 of the remaining

1:43

Mexico policy as well as lacks of

1:46

enforcement of the Border laws and as a

1:49

result we have a record high number of

1:52

people who are coming across the board

1:54

about a month ago my team working along

1:57

with the Texas German Public Safety and

2:00

the Texas National Guard we began

2:02

preparing for something that we

2:04

shouldn't have to prepare for we began

2:06

preparing for this oncoming Caravan or

2:10

Caravans that are headed our way we

2:12

shouldn't have to do it because again

2:13

it's the bite administration's job to be

2:16

doing this but because they're not doing

2:18

it we've been working for about a month

2:21

now to be prepared for these care bands

2:23

that are coming our way

2:25

Abbott explained on Twitter that by

2:28

treating illegal immigration as an

2:30

invasion Texas would be able to tackle

2:32

the problem with unprecedented Vigor he

2:36

attached his list of powers he now has

2:38

to combat Biden's border failures you

2:41

can see here to play The National Guard

2:43

to safeguard the Border deploy Texas

2:45

Department of Public Safety to arrest

2:47

and return border immigrants build a

2:49

border wall deploy gun boats to secure

2:51

the Border designate Mexican drug

2:53

cartels as foreign terrorist

2:56

organizations enter into a compact with

2:58

other states to secure the Border enter

3:01

into agreements with foreign powers to

3:02

enhance border Security provide

3:04

resources for Border counties to

3:06

increase their efforts to respond to the

3:09

Border invasion

3:10

both the National Guard and Texas

3:13

Department of Public Safety will be

3:15

deployed to arrest those entering

3:17

illegally repel them and turn them back

3:21

a border wall will be constructed in

3:23

multiple counties gun boats will be

3:25

deployed and Mexican drug cartels will

3:28

finally be designated as foreign

3:31

terrorist organizations

3:33

to secure the Border Abbott indicated

3:35

that Texas will enter into agreements

3:37

with other states and foreign Nations at

3:40

his press conference in June he

3:41

previewed some of the early success of

3:43

his collaboration with Mexico watch

3:47

and that is it's a consequence of the

3:51

agreements that I reached with the

3:53

governors of Mexico where they are doing

3:56

their part to help secure the border

3:58

from the Mexico side of the Border this

4:01

includes state police activity on the

4:03

Mexico side upholding their end of the

4:06

bargain to slow migration includes

4:09

internal checkpoints on their side in

4:10

Mexico helping to slow migrant movement

4:13

toward the Border as well as what we

4:15

call mirrored activity what that means

4:18

is when state law enforcement on the

4:21

Texas side are under attacking

4:23

undertaking military and police

4:26

movements on the Mexico side they are

4:29

mirroring that operation one thing that

4:31

does is it slows or eliminates the

4:34

cartel activity in that particular

4:36

region whenever we slow or deter car

4:39

selectivity that will slow and

4:42

border crossings in that particular area

4:46

this follows record-breaking numbers at

4:49

even the mainstream press can't hide NBC

4:52

News reported late October that migrant

4:54

border crossings top

4:56

2.76 million in fiscal year 2022

4:59

breaking the previous annual record by

5:02

more than a million that's according to

5:04

Customs and Border Protection data

5:08

America is under siege an invasion is

5:11

taking place at our Southern border and

5:13

the by Administration is doing nothing

5:15

to stop it in response Governor Abbott

5:18

of Texas has taken unprecedented

5:20

measures to address the crisis he's

5:22

invoked The Invasion Clauses and called

5:24

for the construction of a border wall

5:26

the deployment of gun boats and the

5:28

designation of Mexican drug cartels as

5:30

foreign terrorist organizations

5:33

this is a declaration of war on the

5:35

border and it's time for America to wake

5:37

up and fight back against this Invasion

5:40

thank God Governor Abbott is taking

5:42

action where Biden clearly has failed
